Alaska Governor Sean Parnell's *Choose Respect Initiative* to end the epidemic of domestic violence and sexual assault is something we can all support!

Indeed, 64 communities-including Child Advocacy Centers, as well as our delegation in Washington DC, showed their support. Governor Parnell has also declared April as *Child Abuse Prevention & Awareness* month, stating: "the future of Alaska rests in the hands of one of our most vulnerable and valuable cherished assets-our children. Whenever one child is abused or neglected, all Alaskans suffer."
